

The 6th Chinese Alliance World Fellowship

“PASSING ON . CARRY ON”

December 1, 2017

RE: The Executive Committee of the Chinese Alliance World Fellowship extends a warm 2018 CAWF Conference invitation to the leaders and representatives of the Alliance family around the world.

Dear coworkers in the Chinese Alliance family:

Peace and grace to you from Our Lord Jesus Christ!

The 6th Chinese Alliance World Fellowship (CAWF) Conference will be held from July 11 to July 15, 2018 at the Ambassador Hotel Bangkok in Bangkok, Thailand. The primary language of the conference will be Mandarin with English translation.

The theme for the conference is **“PASSING ON . CARRY ON”**. As the churches of Christ, how should we respond as we are facing more and more natural disasters and man-made adversities, the rise of National protectionism, and the fall of moral values in today’s world? What would God call us to do? May we ask the Lord to grant us new insights in this conference.

The CAWF Rendezvous will be held at the same time, same venue with the CAWF Conference. This is a great opportunity for delegates of both conferences to come together to interact and share. Led by the Holy Spirit, may we pray in unity and be fired up with the passion to participate in missions endeavors. May the young generation from the Alliance churches of various countries and regions be motivated to pick up the baton and carry on the essence of the Alliance’s mission.

The US Chinese Churches Association humbly undertakes the organizing of the 6th CAWF Conference with strong support from the CAWF. But we cannot accomplish this task without your prayer support.

Please join us in prayers:

1. Pray for the registration of the pastors and leaders of the Chinese Alliance Churches around the world.
2. Pray for the preparation that God to guide the USCCA and CAWF teams with his heart.
3. Pray for the co-workers who will be responsible for the respective program sessions in the conference.
4. Pray for travel arrangement of the delegates.
